

Announcement
Issue: Custody Fee

Fee Type	Rate (percent per annum) of total asset value
Custody Fee	Not exceeding 2.0 percent

Terms and Conditions

1. The fee rate depends on asset value, location of assets (domestic or overseas), and additional services aside from the core service.
2. An agreement may be made to set the fee rate as a monthly or an annual rate, or as agreed with each individual customer.
3. The minimum fee rate is agreed on a case-by-case basis.
4. Asset value calculation method depends on the agreement made with each individual customer.
5. The service is available to juristic persons, funds under supervision of the Securities and Exchange Commission, and natural persons who are customers of the juristic person that is the Bank's customer.

Effective Date: October 1, 2010
