#### Duties and Responsibilities

1. Review financial reports on a quarterly, semi-annual and annual basis including taxation risk management with management and the external auditor of the Bank in order to ensure that the financial reports are accurate, sufficient, reliable, and in compliance with financial reporting standards and regulatory requirements.
2. Review the effectiveness and appropriateness of risk management processes with risk management unit, in consultation with internal and external auditors.
3. Oversee the effectiveness and independence of risk asset review function.
4. Review the Bank's operations to see that they are in compliance with Securities and Exchange Acts, SET regulations and standards or banking laws and regulations pertaining to commercial banking business.
5. Review reports of the internal auditors on the effectiveness and efficiency of risk management, internal control system and governance; discuss with the internal auditors about audit findings; and review the implementation as per recommendations of the internal auditors, the external auditor, and regulators.
6. Review the effectiveness of the internal audit function by reviewing and approving Internal Audit Charter, annual audit plan and significant changes of the approved plan; consider its independence and sufficiency of necessary resources; and concur in the appointment, transfer, dismissal and evaluate performance of the Internal Audit Head.
7. Consider the qualifications, independence, performance and proposed audit fee of the external auditor and recommend the appointment and termination of the external auditor, including audit fee arrangement to the Board of Directors. In addition, hold at least one meeting a year with the external auditor without the presence of management.
8. Consider the Bank's policy and procedures in relation to non-audit services from the audit firm of the external auditor and give consent to the engagement of such service to ensure that it will not impair the independence of the external auditor.
9. Evaluate the connected transactions, or transactions with possible conflict of interest in relation to compliance with the laws and regulatory requirements in order to ensure transparency of those transactions.
10. Consider the disclosure of information on connected transactions, conflicts of interest or certain Bank operations that can produce significant effects to ensure transparency and appropriateness.
11. Ensure that preliminary investigation is carried out after receiving the external auditor's report on behavior suspicious of fraud or violation of laws by the Bank's board members and management. The Audit Committee shall report the results of such investigation to the Securities and Exchange Commission and the external auditor within 30 days from the date they are notified by the external auditor.
12. Oversee and receive complaint or information submitted directly by stakeholders for attention of the Board of Directors and the whistleblowing through Internal Audit channel.
