In the Transition to
A Net Zero Economy

KBank's Board of Directors has resolved to announced the Bank's Net Zero Commitment on 29 October 2021, as follows:

- ▶ KBank aims to empower every customer's life and business. We support our customers in the transition to a net zero economy. Sustainability is deeply ingrained in how we serve our customers and manage our operations.
- ▶ We are committed to supporting Thailand and our clients in regional economies on their decarbonization journeys. We will contribute to the global effort to transition to net zero emission by 2050* and will align with the Paris Agreement goals.
- ▶ We are committed to be the leading sustainable bank in Thailand, allocating at least Bt100-200bn in sustainable financing and investment by 2030 and pioneering green banking products.
- ▶ We commit to becoming net zero in our own operations (Scope 1, 2) by 2030. We commit to achieving net zero in our financed portfolio in line with Thailand's aspirations, accelerating this journey where possible. We will continually assess opportunities to take earlier actions as the technology, regulatory environment and external context evolves.

* Net zero emission by 2050 is the global effort to transition to net zero emission, aligning with the Paris Agreement goals. However, KBank commit to achieving net zero in our financed portfolio in line with Thailand's aspirations, accelerating this journey where possible.
