Sustained Capital Strength with Steadily Rising Dividends Over Time

September 2026 (Consolidated)

KASIKORNBANK FINANCIAL CONGLOMERATE[1]

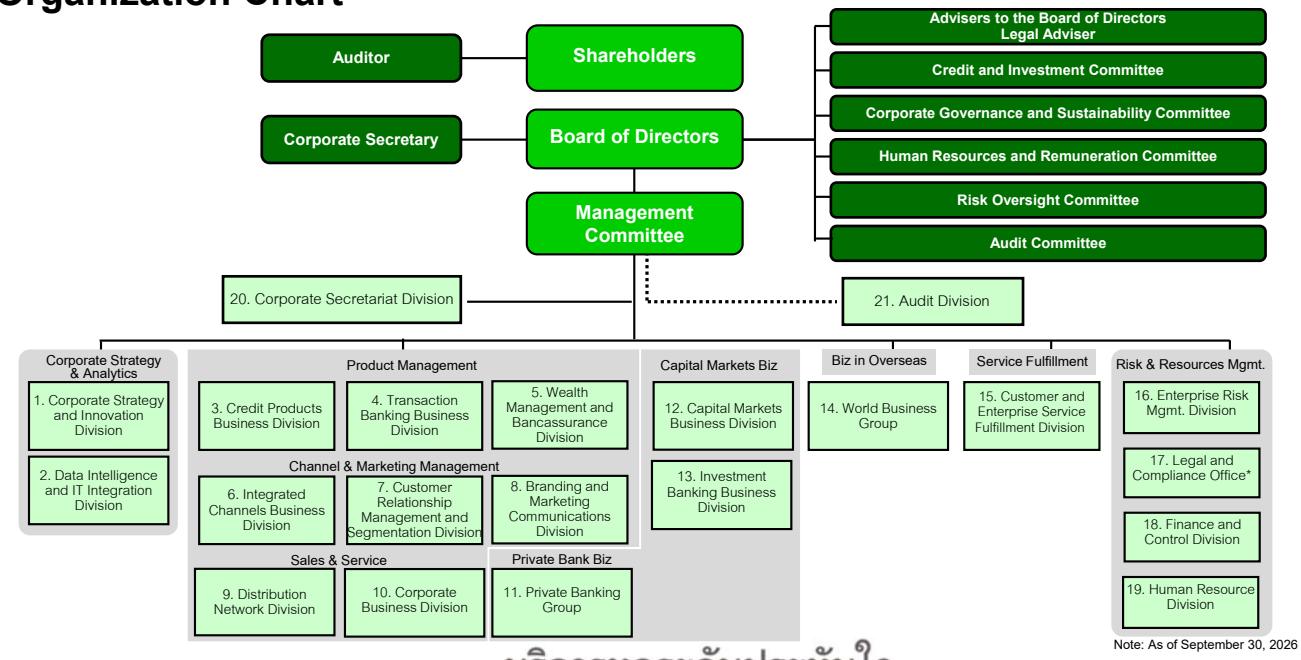

Dividend Per Share and Dividend Payout Ratio

- **Capital:** Capital adequacy remains sufficient through the changing economic environment and to support business growth; maintained adequate Tier 1 ratio, as required under Basel III and new requirements.
- **Dividend Policy:** In determining dividend payments, the Bank will take into consideration its operating results as well as suitable sustainable long-term returns to shareholders. The Bank aims to pay not less than 25% dividend payout on consolidated net profit. However, if facing an unforeseen circumstance, the Bank may consider not paying at the above-mentioned level of not less than 25% of dividend payout ratio by considering prudence and suitable return to shareholders.

Note: [1] KASIKORNBANK FINANCIAL CONGLOMERATE means the company under the Notification of the Bank of Thailand re: Consolidated Supervision, consisting of KBank, K Companies and subsidiaries operating in supporting KBank, Phethai Asset Management Co., Ltd. and other subsidiaries within the BOT's permitted scope to be a financial conglomerate.
[2] The Bank and its subsidiaries have adopted the new Thai Financial Reporting Standard (TFRS 17 Insurance Contracts) since January 1, 2025. Accordingly, the consolidated financial statements for 2024 have been restated for comparative purposes as if TFRS 17 had been applied since January 1, 2024. Dividend payout ratio for 2024 is based on net profit after restatement.

**April 21, 2026: Moody's upgraded outlook of the Government of Thailand ratings from negative to stable as reflecting Moody's assessment that downside risks from the US tariffs have diminished while those from the Middle East conflict are comparable to its similarly rated peers.
***April 22, 2026: This rating action follows the change in outlook to stable on the Government of Thailand.
**** September 18, 2026: Fitch Ratings revised the outlook on Thailand's Long-Term Foreign- and Local-Currency Issuer Default Ratings (IDRs) to Stable from Negative and affirmed the IDRs at 'BBB+'. The outlook revision reflects Fitch's increased confidence that the government debt-to-GDP ratio will broadly stabilize over the medium term, as Thailand's economy has held up better than expected in the face of the global energy shock, deflationary pressures have receded, and policy predictability has improved following the general elections in February 2026 and the smooth formation of the coalition government.

Supporting Customers
In the Transition to
A Net Zero Economy

KBank's Board of Directors has resolved to announce the Bank's Net Zero Commitment on October 29, 2021, and August 28, 2025, as follows:

- KBank aims to empower every customer's life and business. We support our customers in the transition to a Net Zero economy. Sustainability is deeply ingrained in how we serve our customers and manage our operations.
- We are committed to supporting Thailand and our clients in regional economies on their decarbonization journeys. We will contribute to the global effort to transition to Net Zero emissions by 2050* and will align with the Paris Agreement goals.
- We are committed to being the leading sustainable bank in Thailand, allocating at least Bt400-500bn in sustainable financing and investment by 2030 and pioneering green banking products.
- We commit to becoming Net Zero in our own operations (Scope 1, 2) by 2030. We commit to achieving Net Zero in our financed portfolio in line with Thailand's aspirations, accelerating this journey where possible. We will continually assess opportunities to take earlier actions as the technology, regulatory environment and external context evolve.

* Net zero emission by 2050 is the global effort to transition to Net Zero emission, aligning with the Paris Agreement goals. However, KBank commits to achieving Net Zero in our financed portfolio in line with Thailand's aspirations, accelerating this journey where possible.
